FACIAL TREATMENTS

HOLLYWOOD CARBON LASER \$180

To treat skin imperfections on the face. The Carbon Laser Peel works to restore the skin's sebum balance whilst promoting a fresh and even facial glow. As the treated skin regenerates, the appearance of uneven colour and texture becomes visibly clearer and more uniform in texture.

HYDRAFACIAL SIGNATURE \$250

An instant result for any skin type. The Signature HydraFacial removes redundant skin cells and impurities while deep cleansing, extracting, exfoliating and then drenching the skin with peptides and anti-oxidants serums.

CLASSIC FACIAL \$150

For all skin types. Receive deep cleansing, steam, exfoliation, and a face, neck and shoulder massage. This is followed by a customised mask to condition your skin while you enjoy a relaxing scalp massage. To complete your facial, your skin will be nourished with an eye cream, serum and moisturiser.

MESOTHERAPY TREATMENT \$350 - \$600 per session

Mesotherapy is a form of alternative medicine which involves intradermal or subcutaneous injections of pharmaceutical preparations, enzymes, hormones, plant extracts, vitamins, and/or other ingredients such as hyaluronic acid.
